*The MATOS®Aria Eco fridge series is a new range of cost-effective European-built Medical and Vaccination Refrigerators featuring the latest technology in controllers and compressors for accurate temperature*

## Model Variations

MATOS Aria Eco 220 R – Solid Door

MATOS Aria Eco 220 R/G – Glass Door

MATOS Aria Eco 220 R/G

## Advanced Controller

Featuring the Carel soft touch controller - accurate to 0.1°C with min/max readings at the touch of a button.

## Lock Fitted as Standard

Maintains security and ensures the unit can only be opened by authorised personnel.

## Cost-Effective

Built with a High Impact Polystyrene Interior to provide a robust and in-expensive range of refrigerators.

## Solid or Glass Door Options

Solid or glass door options enabling you to select the format which best suits your requirements. Glass doors are double glazed, toughened safety-glass with argon gas between panels for better insulation.

## Auto Defrost

The advanced controller initialises a regular defrost sequence to decrease the chance of ice build-up while maintaining the temperature below 8°C.

## 2 Year Extended Warranty

We offer an extended 2 year warranty on Parts.

## Specifications

Capacity	190L Net / 215L Gross	Power usage	Solid 2.7 kW Glass 3.5 kW / 24 hours
Dimensions external	595w x 640d x 1310h	Air convection	Fan assisted
Dimensions internal	505w x 462d x 1025h	Temperature range	1°C to +10°C
Door	Solid and Glass available Reversible	Controller	Microprocessor with external LCD graphic display
Weight	Solid 58kg / Glass 65kg	Interior/Exterior	(HIPS) High impact polystyrene
Shelves fitted	3	Temperature resolution	0.1°C
Castors	2 wheels rear; 2 adjustable feet front	Temperature fluctuation at 4°C	+/- 0.5°C
Internal light	Yes	Refrigerant	R134A
Door Open Alarm	Yes	Power	230V / 50Hz
