**Model Variations**

Eco 85 F – Solid Door

MATOS Eco 85 F

The Matos® Plus Eco freezer series is a new range of purpose built Medical Freezers utilising patented technology. The cabinet and componentry have been specially designed for use in the Medical field.

**Interior Finish**

All Matos® Plus Eco freezers come with a high quality stainless steel interior and use polyurethane foam thermal insulation.

**Solid or Glass Door Options**

Most models come with solid or glass door options enabling you to select the format which best suits your requirements.

**Monitoring capability**

Continuous temperature monitoring with sms and email alerts available – ensures a robust complete monitoring record of your product – even with loss of power.

**Lock Fitted as Standard**

Maintains security and ensures the unit can only be opened by authorised personnel.

**Energy Efficient**

Matos® Plus Eco freezers are more energy efficient and kinder to the environment, meaning the running costs of the freezer are kept as low as possible.

**5 Year Extended Warranty**

When serviced by an approved service technician, the warranty is extended to 5 years - Parts Only.

**Specifications**

Capacity	95L	Air convection	Natural
Dimensions External	610w x 880h x 650d	Temperature range	-25°C to 0°C
Dimensions Internal	420w x 590h x 400d	Controller	Microprocessor with external LCD graphic display
Max shelf workload	10kg	Interior	Stainless Steel
Max unit workload	30kg	Housing	Powder coated sheet (s/steel optional)
Door	Solid	Colour	Silver/Grey
Weight	60kg	Temperature accuracy	1°C
Shelves fit/max	2/4	Temperature fluctuation at -10°C	+/- 0.4°C
Refrigerant	R455A	Voltage 50/60Hz	115/230V
Refrigerant amount	0.080kg	Internal light	No
Castors	No	Door Open Alarm	Yes
Power	200W	Access Port	Yes
