The MATOS® Aria Eco fridge series is a new range of cost-effective European-built Medical and Vaccination Refrigerators featuring the latest technology in controllers and compressors for accurate temperature stability.

Model Variations

MATOS Aria Eco 220 R – Solid Door
 MATOS Aria Eco 220 R/G – Glass Door

MATOS Aria Eco 220 R/G

Advanced Controller

Featuring the Carel soft touch controller - accurate to 0.1°C with min/max readings at the touch of a button.

Lock Fitted as Standard

Maintains security and ensures the unit can only be opened by authorised personnel.

Cost-Effective

Built with a High Impact Polystyrene Interior to provide a robust and in-expensive range of refrigerators.

Solid or Glass Door Options

Solid or glass door options enabling you to select the format which best suits your requirements. Glass doors are double glazed, toughened safety-glass with argon gas between panels for better insulation.

Auto Defrost

The advanced controller initialises a regular defrost sequence to decrease the chance of ice build-up while maintaining the temperature below 8°C.

5 Year Extended Warranty

When annually serviced by an approved service technician, the warranty is extended to 5 years - Parts Only.

Specifications

Capacity	227L Gross	Power usage	Solid 1.679 kW Glass 1.9 kW / 24 hours
Dimensions external	597w x 645d x 1370h	Air convection	Fan assisted
Dimensions internal	505w x 462d x 1025h	Temperature range	1°C to +10°C
Door	Solid and Glass available Reversible	Controller	Microprocessor with external LCD graphic display
Weight	Solid 58kg / Glass 65kg	Interior/Exterior	(HIPS) High impact polystyrene
Shelves fitted	3	Temperature resolution	0.1°C
Castors	2 wheels rear, 2 adjustable feet front	Temperature fluctuation at 4°C	+/- 0.5°C
Internal light	Yes	Refrigerant	R134A
Door Open Alarm	Yes	Power	230V / 50Hz
